My favorite AuthorBy grannynannyggPeter Jenkins had me hooked with his first book ' A Walk Across America'. And has not disappointed me with his subsequent books. Great story teller.

If you've ever loved a dog, a cat, an old barn, or a place in the country, you will love CLOSE FRIENDS.Meet UFO, the shy Brahman bull who mates only at night; and Tigger, the smartest farm cat ever. Meet Cooper, Peter Jenkin's forever friend, a half Alaskan Malamute dog; and Shocker, the black stallion Peter took to Inner Mongolia. You will also meet the remarkable people who live among animals and who love them as he does.Of all the books Peter Jenkins has written, none is more heartfelt or moving than CLOSE FRIENDS."This book's fresh prose will capture your emotions from agony to zest." -- The Seattle Times

From Publishers Weekly Growing up in a neighborhood where pets were not allowed may explain the author's love of animals. Jenkins (*A Walk Across America*), now settled on a Tennessee cattle and horse farm, here offers engaging tales about pets and critters. He recalls that as a youth, he smuggled a sparrow hawk into his bedroom where he trained it; he sent out birth announcements for his first dog, Cooper. Later on, Jenkins goes to Alaska to select a pair of malamute puppies (Grr and Lacy); he hauls cattle from Texas, learns to cope with calving and to ride a Tennessee walking horse. Capping his adventures with animals is the delivery of two stallions to Inner Mongolia. Jenkins's many fans will be sorry to learn from this memoir that his marriage failed, but will enjoy his account of farm life. Copyright 1989 Reed Business Information, Inc.
