Awe Inspiring Work By Stephen Fullerton Clyde Butcher has been described as the Ansel Adams of the Everglades, but he is clearly a master in his own right. Great coffee table book and perfect for any home. 3 of 3 people found the following review helpful. GREAT PHOTOS By j bubla The photographer is a top notched Floridian-the pictures speak for themselves each page reminds me why I love living in Florida!

Natural Florida captured in elaborate detail through the timeless images of this Ansel Adams Conservation Award-winning photographer.

Butcher's camera gazes out at his beloved state, it captures the facets of untouched natural areas with detail and emotion. -- Southern Living Florida Focus, January 2005 [Florida Landscape] draws you to a deeper appreciation of this treasure-filled terrain. -- Southern Living Florida Focus, January 2005 About the Author Butcher's photography has been exhibited in museums throughout the United States and in Europe. His current traveling exhibit, Visions for the Next Millennium, began in Prague at the National Gallery of the Czech Republic and will travel in Europe and the United States through 2007.
