Good book but heavy to pack withBy K. PrebleBuyer beware, wavebooks who is selling this for \$212.95? is off line and [...] does not respond. Look elsewhere for this book. And \$212.95 has got to be a typo! No way is this worth that! I have a copy and paid under \$25 for it. E-file of

GPS waypoints available thru the Continental Divide Trail web site is a lot cheaper! \$16.0 of 0 people found the following review helpful. Five StarsBy DVernonVery thorough descriptions of the CDT segments, very helpful to planning and trip

Paralleling the Continental Divide as it zigzags through the Rockies, the Continental Divide National Scenic Trail passes through some of the most spectacular scenery in the United States. This comprehensive guide provides essential information for hiking the 740-mile Colorado portion of the Continental Divide Trail, whether you're planning a weekend trip or an extended through-hike. The text gives detailed descriptions of 42 trail segments, including access points, campsites, mileage charts, elevations, mountain bike accessibility, and detailed maps. Color photography by John Fielder allows you to preview the trail, and makes this guide required reading for anyone planning to hike the Continental Divide Trail.
