Deborah Frazier : Colorado's Hot Springs (The Pruett Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Colorado's Hot Springs (The Pruett Series):

0 of 0 people found the following review helpful. HOT FIND!By RhainExcellent Resource! Easy to read.

COLORADOS HOT SPRINGS is an entertaining, comprehensive guide to the state's sweet soaking sites and their histories. The photographs capture each spring's unique character and beauty. Each chapter blends descriptions of the warm water wonders with stories about the unique characters, events, and ancient use by Native Americans. The springs are Colorado's warm water ocean and Debbie visited each one. This all new, up-to-date guide profiles forty-four hot springs, providing descriptions, contact information, directions, maps, photographs, and historical notes.

About the Author Debbie Frazier, a fourth-generation Colorado native, was an award-winning journalist for thirty-five years covering Colorado and the West. She earned a master's in natural resources management and environmental policy. She was communications manager for Colorado State Parks, and then worked with the state's top wildlife researchers. Her favorite place is anywhere outdoors.
