David Day : Colorado's Incredible Backcountry Trails before purchasing it in order to gage whether or not it would be worth my time, and all praised Colorado's Incredible Backcountry Trails:

1 of 1 people found the following review helpful. This is a really great guide to a variety of different backcountry areas throughout ...By CustomerThis is a really great guide to a variety of different backcountry areas throughout Colorado. This guide covers a wide swath of the state and a variety of different landscapes. Even lifelong residents of Colorado will probably discover several new gems in this book. The guide is easy to read and is pretty thorough in regards to

technical information.0 of 0 people found the following review helpful. Five StarsBy P2Best guide for the hikes covered. The pictures speak for themselves.0 of 0 people found the following review helpful. Great book, mostly day hikes but there is a ...By babbleGreat book, mostly day hikes but there is a good selection of longer hikes too. Lots of hikes I've never heard of.

Detailed descriptions of Colorado's most interesting and scenic hiking trails, illustrated with over 350 remarkable color photographs and 92 colorful trail maps.

About the AuthorDavid Day graduated in 1965 with an engineering degree from the University of Arizona. His first job after college was with the Cabin Creek Hydroelectric Project in Colorado, after which he joined the Peace Corps to teach electronics in Malaysia. He held a variety of jobs in Arizona, Nevada, Hawaii, and American Samoa before switching careers in 1977 to become a full time writer and photographer. His publications include books on Southeast Asia, Utah, and now Colorado.
