Josiah Gregg : Commerce of the Prairies (American Exploration Travel) before purchasing it in order to gage whether or not it would be worth my time, and all praised Commerce of the Prairies (American Exploration Travel):

0 of 0 people found the following review helpful. Classic historical account of Sante Fe Trail, loaded with ...By PHIL BRITTIN
Classic historical account of Sante Fe Trail, loaded with fascinating details, stories of Western Expansionism, filled with intimate personal details and observations from a Naturalists eyes. Many of the scenarios described in this book have become basic themes for many modern Western Films.
0 of 0 people found the following review helpful. Truly a Treasure!
By Duffy
Graphic description of the real old wild westthere is a ring of truth in every line.....I do wish the actual book was in a bit better condition but I have to consider its age.
0 of 0 people found the following review helpful. Goo book
By Harold
1950a lot of historical information I can use with my re enacting at Sutter's Fort in Sacramento. Tells of travels, trials and hardships on the trail from back east to the west coast.

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of

a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

About the AuthorMax Moorehead was David Ross Boyd professor emeritus of history at the University of Oklahoma. He was the author of *The Presidio: Bastion of the Spanish Borderlands* and editor of *Josiah Gregg's Commerce of the Prairies*, both published by the University of Oklahoma Press.
