Norma Tirrell : Compass American Guides: Montana, 6th Edition (Full-color Travel Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Compass American Guides: Montana, 6th Edition (Full-color Travel Guide):

2 of 2 people found the following review helpful. Nice book to supplement the Moon series!By Lisa K. NeitzelThis book has beautiful pictures and is great for filling in history and background information on various sites in the state. It

is not detailed enough to be the ONLY guide to use, but is great as a supplement. No regrets!2 of 2 people found the following review helpful. Great book, but not in as great condition as expected.By michael MARKMANI love the book. The information is so important to know about Montana. Excellent pictures, history and culture. Especially good introduction to Native American life in this State.Too about the condition1 of 2 people found the following review helpful. Excellent Outdoor GuideBy Wes DavisExcellent guide for Montana's great outdoors and small rural communities as well as the usual stuff covered in a guide book. Author loves the Big Sky and wants to share it with you.

Created by local writers and photographers, "Compass American Guides" are the ultimate insider's guides, providing in-depth coverage of the history, culture, and character of America's most spectacular destinations. Covering everything there is to see and do as well as choice lodging and dining, these gorgeous full-colour guides are perfect for anyone looking for a real understanding of the region. This fully up-dated guide is the ideal resource for those in search of Big Sky adventure. It covers fascinating places to visit, from dude ranches to national parks and offers historical and cultural background like no other Montana guide available. Over two hundred full-colour photographs paint a radiant picture of the state, while comprehensive maps make it easy for readers to find their way round. There are comprehensive listing on where to stay and where to eat, including the best of Montana's guest ranches and itineraries for scenic road trips. Lively essays on ghost towns, rodeos, the Battle of Little Bighorn, and cowboy artist Charlie Russell, with archive illustrations, are included, as well features on cowboy poets and natural history with knowledgeable advice on hiking, fly-fishing, camping, and the full range of outdoor and recreational opportunities.

About the AuthorEvery Fodor's Travel guide is researched and written by resident experts.
