Intelligent and ComprehensiveBy DgothI was totally unfamiliar with New Hampshire and what it had to offer me as a visitor and I found this guide to be an engaging way to learn about the state. Each part of the state has different things to offer, and Mr. Binder's style of writing was both intelligent and

witty and never condensed. It's concise yet comprehensive, lacking the excess verbage some guides include to "fill a place out." If you like to "get a sense of place" before you visit it, this book delivers the state of New Hampshire. 0 of 0 people found the following review helpful.
