Best Trail Book By Bob Irwin I've read a number of trail books, and this is the best and most complete. 1 of 1 people found the following review helpful. Excellent By Customer Excellent book if your into trail building and like to ride Mt Bikes.

Anyone can learn to build and maintain a durable hiking trail with the right teacher. Based on the AMC's experience in building and maintaining over 1,500 miles of trails in the Northeast, our manual is used by both the U.S. Forest and Park Services, and has been thoroughly updated to include new photographs and expanded content. Whether you are a hiker, volunteer trail maintainer, or land manager, here are all the essentials for creating environmentally sound trails.

An excellent reference for woodland owners and foresters alike. New England Forestry Foundation The how-to-do-it reference book for anyone, anywhere, who is responsible for trail work. Maine Sunday Telegram This book talks about trails, their effect on the hiking experience, and the joy of trail tending. Clear and comprehensive, this is the guide for working on trails in the Northeast. Lars Botzjorns, Green Mountain Club
