Book is for a 12 yr old girl who is learning all she can before she gets her own horse. Jessica J is a great person for horse advice.3 of 6 people found the following review helpful. Complete Idiot's Guide to Horseback Riding.By P. RuckerIt was written in an easy to understand style. Information was good and easy to put into practice.17 of 17 people found the following review helpful. Easy to FollowBy Flame_926I really liked this book. The lessons are easy to read and cover subjects like "Finding a Stable," "Buying a Horse," and "Taking Care of a Horse." This is perfect for a beginning rider as it is very easy to understand and provides valuable insight into the horse world. All of the riding stuff was pretty basic (the first year of instruction), but everything else was fantastic.
