Andrew Warren : Cond Nast Johansens Recommended Small Hotels, Inns and Restaurants - Great Britain and Ireland 2009 (Conde Nast Johansen's Great Britain Ireland: Recommended Hotels Spas) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cond Nast Johansens Recommended Small Hotels, Inns and Restaurants - Great Britain and Ireland 2009 (Conde Nast Johansen's Great Britain Ireland: Recommended Hotels Spas):

0 of 0 people found the following review helpful. IRELAND? Okay - they did put in 1 By SuzieQ In the item description and in the title, you would think that this book would have more than 1 (yes, just one!) review of an Ireland hotel or restaurant. However, that is it. There are dozens located in England, Wales and Scotland. It is a great book if you are interested in those areas, but if you're hoping Ireland is in it - it isn't. It is almost like Ireland was an afterthought just so "Ireland" could be put on the title of the book for increased sales. I have never returned a book, but this one is going back - I do feel intentionally misled so I would purchase.
