**From Brand: Assouline Publishing :** CONDE NAST TRAVELER WHERE ARE YOU? (Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised CONDE NAST TRAVELER WHERE ARE YOU? (Classics):

Nothing reveals the splendor of travel so succinctly as the first encounter with an exotic, jaw-dropping vista. Taking off from that sublime experience of the unknown, Cond Nast Traveler created its signature feature, the monthly magazines Where Are You? contest. Divining locales from the Karakoram Mountains of Pakistan to the Seychelles coral islands, thousands of readers of Americas leading travel magazine have been enthusiastically playing the game since 1993deciphering clues paired with a striking image each month to reveal a secret international location, shot by a

world-class photographer. For the first time ever, Conde Nast Traveler has collected 100 of these stunning, mysterious photographs and clues in one volume so that you, too, can test your travel knowledge to find out: *Where Are You?*

From the Inside Flap Since its launch in 1987, Conde Nast Traveler has been committed to the philosophy of Truth in Travel in its travel journalism. The magazine has been nominated for twenty-four National Magazine awards, seven for General Excellence, and six in other categories, including Special Interest, Design, and Photography.
