Sandy James : Connect With Kansas City: Ways to Engage in the Community before purchasing it in order to gage whether or not it would be worth my time, and all praised Connect With Kansas City: Ways to Engage in the Community:

3 of 3 people found the following review helpful. An Essential Tool for Getting the Most out of Kansas CityBy Kassie SiegelThis book is a must-have gem. I've been acquainted with Kansas City, my mother's hometown, all my life, and

never had any idea of the richness and diversity the city has to offer. This book is an extensively (one could even say obsessively) researched tool that has chapters on every conceivable topic, from the outdoors to religious organizations to fine cuisine. Volunteer opportunities and other ways to really engage in the community abound. Connect with Kansas City is a truly unique resource that will improve your experience in Kansas City whether you are a first time visitor, an infrequent visitor (like myself) or a lifetime resident. The author's insights about the value of "social capital" were clearly a guiding force in both the conception and the implementation of the book. Worth its weight in gold! 1 of 1 people found the following review helpful. Love this book By Dondi Dix Love this book! I hope the author reads this, because this is more important than ever, so this needs to be updated from the 2001 edition and a Kindle version needs to be published thanks! 6 of 6 people found the following review helpful. Connect With Kansas City By Terry Guignon Order this book now! It is full of things to do and ways to engage in our community. Sandy James makes it easy for us to enjoy Kansas City and all our community provides. A must read for anyone new to our city but also for those of us who have been here for awhile and need some fresh ideas.

Captures rich resources in metropolitan Kansas City for adults and youth who want to become a vital part of the community. Packed with activities and organizations to help you become involved whether you are a new or long time resident. The book lists over 1,600 ways to make friends and a difference in your area. It is a tool to help residents engage meaningfully and develop social capital. Chapters include Arts Culture, sports, home garden, spirituality, food spirits, business, special interests, health, education, community, volunteer options, entertainment and social.

Specific information that can lead newcomers and long-time residents alike into community involvement. -- Sun Publications, October 26, 2001 The best way to cut a big city down to size is to find the small communities within it -- Kansas City Star November 4, 2001 Valuable resource for people who are interested in being a vital part of the community and making acquaintances with others. -- Larry Moore, Television News Anchor, November 2001
