Barnett D. Laschever, Barbara J. Beeching : Connecticut an Explorers Guide (2nd ed) before purchasing it in order to gage whether or not it would be worth my time, and all praised Connecticut an Explorers Guide (2nd ed):

This guidebook provides recommendations on lodging, dining, entertainment and shopping in Connecticut. The authors visited every establishment and event included, among them: the Mystic Marinelife Aquarium; Mark Twain's

preserved house; and restaurants, inns, hotels and bed and breakfasts.
