book like this. I live in a beautiful CT town, full of NY tourists and it's barely mentioned. Good, I guess, but shows how many good things were missed. 4 of 9 people found the following review helpful. Parents happy
By Marc B.W. I bought this for my parents as they had recently moved from California to Conn. They love this book as it has allowed them to find some great bedroom communities nearby. A true review would be from someone who knows the area, but for outsiders this was a great purchase.

Dedicated to travelers with a taste for the unique, these easy-to-use, state-by-state guides will help readers discover the hidden places that most tourists miss -- shining the spotlight squarely on the offbeat. If it is funky, funny, little known, or out of the way, it will probably be found in Off the Beaten Path "RM." The Off the Beaten Path "RM" series covers every state in the United States plus Washington, D.C., the Maritime Provinces, British Columbia, Quebec, and Puerto Rico and select cities such as Boston and Chicago. Head to the Witch's Dungeon in Bristol (during the last two weekends in October) where artist Cortland Hull re-creates room-size scenes from famous Hollywood thrillers or stop for a bite to eat at Skee's Diner in Torrington, a small, 1920s-era diner that might just be the oldest in the state. If it's funny, little-known, or out of the way in Connecticut, then travelers will find it in this guide.
