**Cindi Pietrzyk : Connecticut Off the Beaten Path: A Guide To Unique Places (Off the Beaten Path Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Connecticut Off the Beaten Path: A Guide To Unique Places (Off the Beaten Path Series):

Finding Connecticut...By HMS WarspiteWhizzing through Connecticut on one of the Interstate highways might sweep the unsuspecting traveler past all kinds of interesting places. "Off The Beaten Path Connecticut" is a compact but highly informative guide to out of the way historical sites,

scenic parks, restaurants with a distinctive local flavor, aquariums, museums, and other attractions. The guide is broken up by geographic sections of the state. The narrative by Cindi Pietrzyk is interesting and easy to read, with the longtime resident's insight for details and opinions. The book includes a few maps; unfortunately, no photographs. Highly recommended. 1 of 1 people found the following review helpful. Hidden treasures of Connecticut By Grace Photos On The Go I have bought other books Off The Beaten Path series. This book is light reading. There are many interesting places listed in the book. They are not high traffic and over priced places. I like the places because they are more a personal level. You get the kind of one on one attention. I am going to continue adding the other series either to my kindle or hard copy collection. this is the 3rd book I have bought of the series. 1 of 1 people found the following review helpful.
