Eric D. Lehman : Connecticut Town Greens: History of the State's Common Centers before purchasing it in order to gauge whether or not it would be worth my time, and all praised Connecticut Town Greens: History of the State's Common Centers:

0 of 0 people found the following review helpful. Four StarsBy Edward CastnerVery helpful guide

The state of Connecticut has 170 town or village greens that still exist today. These greens date back to Colonial times where they served as the physical and spiritual centers for these early towns. Today many town greens continue to be

the center of town events, fairs, and other gatherings. Connecticut Town Greens explores the history of these remarkable greens and provide a guide to current events.

About the AuthorEric D. Lehman, teaches travel literature and creative writing at the University of Bridgeport, and his essays, reviews, and stories have appeared in dozens of journals and magazines. He lives in Hamden, Connecticut.
