**K Scott Parks : Continental Divide Trail Pocket Maps - New Mexico** before purchasing it in order to gage whether or not it would be worth my time, and all praised Continental Divide Trail Pocket Maps - New Mexico:

0 of 0 people found the following review helpful. good but outdated By douggreat tool for the trail, but 2014 pub date makes it a bit outdated. I had problems finding spots to get on and off the trail due to the scale of the maps not showing road numbers and significant features more than two or three miles away. But, i guess that would be for a trail guide and not just a map book. 1 of 1 people found the following review helpful. Very useful if you want to follow the trail on horseback ... By John Sharp Detailed. Very useful if you want to follow the trail on horseback or on foot.

Easy to understand elevation changes for each mile.0 of 0 people found the following review helpful. Five StarsBy Sierra womanEssential data. Get it.
