From Brand: teNeues : Cool Restaurants Los Angeles before purchasing it in order to gage whether or not it would be worth my time, and all praised Cool Restaurants Los Angeles:

LA may be known throughout the world as a dream factory that has littered the world with pop cultural paraphenalia but it is more than the sum total of its mass produced fantasies. It's a thriving hybrid of a city whose eclecticism is reflected in its endless variety - in ethnicity, culture, architecture and food. Few cities offer as exciting a restaurant scene. This easy to use guide gives tourists a glimpse inside 35 of LA's most fashionable dining destinations and includes recipes and colour illustrations.

From the Publisher An easy-to-use guide to 35 of LA's most fashionable restaurants, attractively designed and lavishly illustrated. Also included are recipes to suit every taste. One of several titles in teNeues' recently launched series of restaurant guides. About the Author Karin Mahle graduated from the University of Stuttgart in 1990 with a degree in Architecture and now works in LA as an architectural designer.
