D. Scharfenberg : Country Roads of Michigan before purchasing it in order to gage whether or not it would be worth my time, and all praised Country Roads of Michigan:

Perfect for our trip to the U.P. !By Lyann SomersI was so grateful to have stumbled on this book the night before we left on our trip to the Upper Peninsula of Michigan. We saw things and went to quaint little out-of-the-way places we never would have found without the book. If you like to get off the

main roads and have an adventure, this book is for you. Made me fall in love with my state of Michigan all over again!

The first edition won the 1992 Mark Twain Award for travel writing.
