**Gordon Groene, Janet Groene : Country Roads of Ohio: Drives, Day Trips, and Weekend Excursions** before purchasing it in order to gage whether or not it would be worth my time, and all praised Country Roads of Ohio: Drives, Day Trips, and Weekend Excursions:

to those who live in and near Ohio and wish to explore some country roads. One would have to keep in mind that this was written in 1999 and is dated. There are phone numbers but no web sites given. There are also no pictures except for a few black and white drawings and only a rudimentary map giving the approximate locations of the drive areas. For the most part the drives seem pleasant but not to any well known places. This would give someone in the area, perhaps some ideas of some agreeable places to go to.

Ramble through America's rural heartland on winding back roads leading to an endless variety of out-in-the-country attractions. Each title explores 10 or more meandering weekend tours as authors share their intimate knowledge of people, places, and country life.
