**Judy Colbert : Country Towns of Maryland Delaware: Charming Small Towns and Villages to Explore** before purchasing it in order to gage whether or not it would be worth my time, and all praised Country Towns of Maryland Delaware: Charming Small Towns and Villages to Explore:

3 of 3 people found the following review helpful. Hopefully not much changesBy woganIn many ways this is a nice

little book. I wish it could be updated, but it seems, sometimes not much changes in these small towns. This would be a useful book, if you are exploring the area and you also realize that the material is dated. It is hard to use as a tourist guide, because it is written in paragraph form with no highlighting or divisions between information concerning the different sights. Colbert also makes statements about stopping by a shop, but no street address is given, or, stating it's mile up the road, but not what road? Still it is a detailed guide to some small towns and areas that not much other information exists with reference to. It could have also used a larger map than the 4" x 2" one in front, even though directions are given to each town. The towns of Maryland and Delaware included are: Boonsboro, Centreville, Chesapeake and North Beach, Darlington, Delaware City, Emmitsburg, Georgetown, DE. Odessa, Oella, Oxford, Port Deposit, Smith Island, Snow Hill, Union Bridge, Uniontown and Union Mills.
