**Carlos C. Campbell : Memories of Old Smoky: Early Experiences in the Great Smoky Mountains (Outdoor Tennessee Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Memories of Old Smoky: Early Experiences in the Great Smoky Mountains (Outdoor Tennessee Series):

Carlos C. Campbell's love affair with the Great Smoky Mountains lasted for more than fifty years. One of the principal figures in the movement to have the Smokies established as a national park, Campbell helped to ensure that future generations would enjoy the mountains just as he enjoyed them. As one of the founding members of the Smoky Mountains Hiking Club, he hiked more than four thousand miles of the park's trail system and participated in the marking of the Appalachian Trail. Today, due in part to Campbell's efforts, the Great Smoky Mountains National Park is the most visited destination in the national park system. In 1967, Campbell wrote *Memories of Old Smoky*. Though two previous books written or co-written by Campbell had sold well-- including *Birth of a National Park in the Great Smoky Mountains*, one of the most significant records of the park's development to date-- *Memories of Old Smoky* only became available in a privately published edition after the author's death. Now, in this edition, Campbell's reminiscences, divided into sections on hiking, wildlife, people, sights, and others, become available to an even wider audience. Narrated in Campbell's unaffected, personable prose, the Smokies truly come alive on the page-- from its breathtaking panoramas, deep-cut gorges, waterfalls, and sunsets from Cliff Top. Part memoir and part guidebook, with plenty of humor and history to round out the mix, *Memories of Old Smoky* is a testament to the beauty of the mountains by one of the Park's most ardent supporters.

**About the Author** Carlos C. Campbell (1892-1978) received the Horace Marden Albright Scenic Preservation Medal in 1966 and was made Honorary Park Ranger. He was author of *Birth of a National Park in the Great Smoky Mountains* and co-author of *Great Smoky Mountain Wildflowers*.
