**photography by Bob Schatz, text by Cindy Yarberry : Memphis Impressions** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Memphis Impressions:

1 of 1 people found the following review helpful. Wonderful tourist photo book of Memphis! By Jonna Hayden Robinson I always purchase a tourist photo book of major cities or attractions that I have visited throughout my travels. I could not find such a book among the tourist shops of Beale Street. I had to find it on .com. Not everyone's take on Memphis is booze and Elvis. The book is fabulous. Gorgeous photos of every place I went to in the city. Even more places that I missed, but I now see and understand the context of these venues. Every photo has a descriptive caption. I would have enjoyed a short written history of the city as part of the book, but this is a very tiny criticism. I am thrilled that I was able to purchase a book sight unseen without any reviews and it was exactly what I wanted!

Featuring 108 luminous images, Memphis Impressions is a lovely tribute to an eclectic and elegant Southern city. Bob Schatz's photographs convey Memphis's rich musical history, from Beale Street to famous Stax Records and Sun Studios to Graceland. A portrait of the River City wouldn't be complete without images of the mighty Mississippi, including the American Queen Riverboat, Mud Island River Park, and more. Informative captions accompany the images, which include such solemn landmarks as the Lorraine Hotel, now part of the National Civil Rights Museum. It also portrays Memphis's charming sites, such as the Peabody Hotel and its famous ducks, the fountains of Court Square, and lush Overton Park. Schatz's images celebrate Memphis culture, from its barbecue joints to its Victorian-era neighborhoods. For more info, visit FarcountryPress.com.

From the Inside FlapFeaturing 108 luminous images, *Memphis Impressions* is a lovely tribute to an eclectic and elegant Southern city. Bob Schatz's photographs convey Memphis's rich musical history, from Beale Street to famous Stax Records and Sun Studios to Graceland. A portrait of the River City wouldn't be complete without images of the mighty Mississippi, including the American Queen Riverboat, Mud Island River Park, and more. Informative captions accompany the images, which include such solemn landmarks as the Lorraine Hotel, now part of the National Civil Rights Museum. It also portrays Memphis's charming sites, such as the Peabody Hotel and its famous ducks, the fountains of Court Square, and lush Overton Park.
