From Ami : Metro Boston/Eastern Massachusetts Laminated Street Atlas (American Map) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Metro Boston/Eastern Massachusetts Laminated Street Atlas (American Map):

1 of 1 people found the following review helpful. great resource By Lynn This is a very well organized map book. Great index. Large, color pages. Spiral bound and easy to turn pages and flip around in, despite very heavy size. Pages

won't rip because they are laminated. A terrific resource!
