Street Map Book):

3 of 3 people found the following review helpful. Old maps don't helpBy JuneThis is an older edition [pub. 2000] that is already outdated. When I ordered it I didn't realize how much has changed since these DC maps were published. I still have to go online to google maps for what I really need. It wasn't worth getting an outdated book map just to save money.2 of 2 people found the following review helpful. One StarBy Susan A. SmithThe photo and description led us

to believe it was a new edition than what actually arrived.2 of 2 people found the following review helpful. This map arrived on time and was in very good condition.
