Michelin Staff : Michelin California Regional Road Atlas and Travel Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Michelin California Regional Road Atlas and Travel Guide:

0 of 0 people found the following review helpful. a favoriteBy Richard W. Parsonsey easy to carry, easy to read at rest stops and cafehard to find, so have two copies of nw, coast, California and sw

More than an atlas, more than a guide. Michelin has put them together to create a wonderful selection of scenic drives, information on attractions, hotels, restaurants and so much more. You will love the value and quality of these titles. 10 exciting memorable Driving Tours Bed and Board, featuring choice restaurants and great places to stay categorized by price Practical Information, including driving and parking regulations, tourist offices and shopping venues Full-Color Photographs and close up maps of major attractions Points of interest rated according to the Michelin Star System

From the PublisherMore than an atlas, more than a guide, the Michelin California Road Atlas + Travel Guide pairs great mapping with exciting travel information to Californias most memorable destinations. Discover the wonders of this beautiful state from the Giant Sequoias to the vineyards of Napa and Sonoma Valley. Michelin includes 12 different driving tours, complete with bed and board suggestions, practical information and shopping venues. Driving tours are highlighted on the atlas pages with a dotted green line. Site plans are scattered throughout the guide while detailed city plans are positioned alphabetically in the index. Colorful photos will inspire your next road trip while the atlas pages will help you get there without a hitch. Measuring a approximately 4.5" x 10", and a fraction of an inch thick, this slim Michelin California Road Atlas + Travel Guide can fit in your glove box, your purse, or practically anywhere you need it to be.
