Find those hidden jewels in New EnglandBy VERO BONADEOTop-notch quality, as you'd expect from Michelin guidebooks.

Experience historic, picturesque New England, including dynamic Boston, with Michelin's updated Green Guide. Seasonal delights encompass skiing at Sugar Bush, autumn leaf-peeping, maple sugaring in Vermont woods, and exploring back roads and outlying villages for crafts and farm-fresh produce. Visit Maine's coast by car; discover recommended hotspots for boiled lobster and fried clams; or enjoy a Cape Cod cranberry festival. Michelin's celebrated star-rating system, walking and driving tours, detailed maps, and suggested restaurants and hotels allow travelers to plan their own travel adventure.
