Michelin : Michelin Green Guide Washington, DC (Green Guide/Michelin) before purchasing it in order to gage

whether or not it would be worth my time, and all praised Michelin Green Guide Washington, DC (Green Guide/Michelin):

2 of 2 people found the following review helpful. A Great Michelin GuideBy Dr. Terrence McGartyI have used the Michelin guides all across Europe and as such have become reliant upon their detail and form of presentation. On a recent trip to DC with some spare time, I wanted to look around again, having lived there many years ago, and used this guide. It is a quality product and provides excellent detail on all of the visitor locations, directions, and background information for the educated tourist. It is NOT a hotel or restaurant guide nor was it intended to be such. The material is well researched and presented in classic Michelin form. I found it quite useful for seeing DC anew.0 of 1 people found the following review helpful. disappointingBy Malcolm GillespieGuide is very inferior to the DK guide I bought at the same time.Old fashioned very limited content and few photos. DK guides far superior

The long-standing Michelin Travel Guides are an ideal travel companion for travelers who really want to connect with the world. Get to know the local way of life through detailed background information on the country, people, and culture. Quickly identify the best places to visit using Michelin's star rating system. The best sites are highlighted on the sites map or you can follow a pre-planned driving tour. With the Michelin Travel Guide to Washington D.C., witness democracy at the U.S. Capitol building, scope out a lightning-fast SR-71 Blackbird at the Udvar-Hazy Center, say hello to Presidents Thomas Jefferson and Abraham Lincoln at their memorials or groove on jazz and the blues in Georgetown.
