Michelin : MICHELIN Guide Deutschland 2014 (Michelin Guide/Michelin) (English and German Edition)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised MICHELIN Guide Deutschland 2014 (Michelin Guide/Michelin) (English and German Edition):

By Christian Firsching  
While this guide will be very useful, please note that it is not a complete "English and German Edition" as the description says. 8 pages are in English while the remaining 1384 are in German. Do not expect descriptions of restaurants and hotels to be in English.

By D. R. Walsh  
The Red Michelin Guide is the gold standard in evaluating hotels and restaurants. Be warned the short evals of each hotel/restaurant is in the local language (German). However, there are many representative symbols to assist those unable to read the eval.

By Frank Catala-Morales  
When I ordered this guide it said it was in English and German, to my surprise it is in German and I can not understand anything. Because of this I can not say if it is good or not. I only know it has not helped me at all.

Travelers find great places to eat and stay using the MICHELIN Guide Germany 2014 with meticulously researched recommendations to more than 4,000 hotels and 2,200 restaurants, from luxurious accommodations to country inns, and from wine taverns to elegant restaurants. Updated annually, the guide appeals to all tastes and budgets. Anonymous, experienced inspectors carefully select restaurants, using the celebrated Michelin food star-rating system. The guide includes clear maps detailing establishment locations. Travelers can rely on Michelin since only the best make the cut. While the guide's text is in German, a comprehensive introduction in English explains easily recognizable, time-tested symbols for establishments' facilities and services.
