Tanya Lloyd Kyi : Michigan (America) before purchasing it in order to gage whether or not it would be worth my time, and all praised Michigan (America):

8 of 8 people found the following review helpful. Great pictures. Great quality.By MichiganTravelerWe bought several of these as gifts for folks overseas and love them. Great pictures. Love the hardback version. Great price. What more could you want. Just nice quality all the way through and this from someone who is extremely picky about photo quality. I've personally shot enough around Michigan to know what great photos should look like and this one delivers.3 of 3 people found the following review helpful. Wonderful gift.By DGVThis was a lovely book and perfect for gift giving. The photo's are beautiful, and the book is well made. I am very pleased with this purchase.0 of 0 people found the following review helpful. Great souvenir from MichiganBy Cesar A. H.Nice pictures from this beautiful state of Michigan. I've been to many places in Michigan and this book shows these wonderful spots.

Whether the attraction is historic lighthouses, thriving communities or beautiful parks, Michigan has something to offer any visitor and many surprises for residents. About the America series: As expansive as America itself, this outstanding series captures outstanding views of panoramic landscapes, brilliant city skylines, and picturesque communities. Each volume focuses on a city or state and features 96 pages and 70 stunning images by internationally renowned photographers, plus descriptive captions.
