FellowsThis is a fun, fast-paced book highlighting some of the quirky things about Michigan. As a born and bred MICHIGANDER I really enjoyed learning more about this wonderful state I call home. My boyfriend is a CA transplant, and I am winning him over to the greatness of Michigan. The author does a great job keeping things short and simple, including interesting notes and history, and makes things easy to locate with directions and web site addresses.

Part zany Michigan guidebook and part Who's Who of odd and unsung heroes, this thoroughly revised and updated compendium of the state's quirks and characters will amuse Michigan residents and visitors alike. You'll marvel at the world's largest hairball, pucker up to a ninety-year-old moose, tour the Shipwreck Museum, and race to the finish line in the Outhouse Classic. Along the way you'll meet Detroit's Fast Freddy, the epitome of panache; Marshall's self-proclaimed "Cheese God"; and The Polish Muslims, kings of the "polka 'n' roll."
