**Susan Jayne Newhof : Michigan's Town and Country Inns, 5th Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Michigan's Town and Country Inns, 5th Edition:

The fifth edition of Michigans Town Country Inns is a guide to more than 50 inns, bed-and-breakfast homes, and historic lodgings in the Upper and Lower Peninsulas of Michigan. Choose from lighthouses anchored to the rugged shores of Lake Superior, Victorian mansions built by lumber and mining barons, rustic log lodges, and romantic small

town hideaways. Meet the innkeepers themselves, who range from retired military officers and corporate heads to artists and poets. You'll find detailed descriptions of the accommodations along with information about rates, suitability for children, and policies on smoking and pets. Get a sense of the flavor and mood of each and learn about fun things to do in the surrounding areas. Numerous photos enhance the descriptions and provide a visitors-eye view of some of the most unusual and delightful places to stay in Michigan.
