Susan Jayne Newhof : Michigan's Town and Country Inns: Fourth Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised Michigan's Town and Country Inns: Fourth Edition:

Michigan's Town and Country Inns is a guide to more than eighty inns, bed-and-breakfast homes, and historic lodgings in the Upper and Lower Peninsulas of Michigan. You will find a rich variety of unique inns and interesting innkeepers in this new edition. You can choose from several lighthouses along Lake Superior, a host of Victorian

mansions, and even log lodges and small-town hideaways. You will meet the innkeepers themselves who provide the flavor and mood of the inns. The descriptions are enhanced by illustrations to provide you with a more complete look into the character of Michigan's town and country inns. The costs, types of accommodations, information on reservations, suitability for children, and smoking policies as well as many other points of interest are included in this up-to-date and detailed resource. Enjoy your stay! Susan Newhof is a writer and a media and public speaking consultant living in Montague, Michigan.
