From Graphic Arts Center Publishing Company : Michigan (State Calendar) before purchasing it in order to gage whether or not it would be worth my time, and all praised Michigan (State Calendar):

1 of 1 people found the following review helpful. Great photos, very completeBy Willie Mays HayesThis calendar includes a wide array of relevant holidays. The photos of the great state of Michigan are very diverse. A good calendar for anyone who loves Michigan!

Stunning images from some of the country's top award-winning photographers are featured in this entry in the State Calendar series. Coupled with an updated grid design and such features as extra space for notes and a four-month planning grid, this calendar showcases the beauty of Michigan's lush landscape.
