**Stephen Jones, S. Jones : Michigan (Travel Smart)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Michigan (Travel Smart):

The spirit of Michigan is in its great outdoors, from the blue expanses of Lakes Huron, Erie, and Michigan to the grandeur of the virgin timber at Hartwick Pines. But this guide also explores the cities, including the best attractions in Detroit, Ann Arbor, Grand Rapids, and Lansing. The book includes travel routes for trips built around readers' interests, with itineraries including Fall Color, Arts Culture, Nature Lover's, and Family Fun trips.
