D. Craig Josephson, Bryan C. Meck, Charles R. Meck : Mid-Atlantic Trout Streams and Their Hatches: Overlooked Angling in Pennsylvania, New York, and New Jersey (Trout Streams) before purchasing it in order to gage whether or not it would be worth my time, and all praised Mid-Atlantic Trout Streams and Their Hatches:

Overlooked Angling in Pennsylvania, New York, and New Jersey (Trout Streams):

1 of 1 people found the following review helpful. Pa. streams and little else. By Kindle Customer Title should have read "Trout streams in Pa." Covers mainly Pa. streams with little coverage of NY and NJ streams. Very little info other than telling you he fished there. Gives hatches, but these you can find on-line and save your money. 0 of 0 people found the following review helpful. Five Stars By Brenda Thomas Good book for the fisherman. 6 of 9 people found the following review helpful. For the traveling fisherman! By A Customer Leave it to Charlie to find even more Pennsylvania streams! He even includes notable waters in NJ and NY. This book gives you the opportunity to fish streams that don't get the pressure of some of the more famous waters. The author's cover waters large and small. The book is a bargain, and at retail price equates to 39 cents per stream! Try to find a guide for that.

The author of Pennsylvania Trout Streams has chronicled 44 new streams across Pennsylvania, New York, and New Jersey—all spots where you can still find quality angling without a crowd. Each description includes a rating, map, hatch chart, and more. Pennsylvania is world renowned for the quality of its fly-fishing, but the state is in danger of being loved to death by its anglers. In this eagerly awaited companion volume to Pennsylvania Trout Streams, Charles Meck offers state anglers along with those in neighboring New York and New Jersey descriptions of 43 of his own secret streams. These are spots where you can still find blizzard-like insect hatches and catch wild and stream-bred trout in total solitude.

About the Author Charles R. Meck is the author of 12 books and countless articles on fly fishing. His books include Trout Streams and Hatches of Pennsylvania; Mid-Atlantic Trout Streams and Their Hatches, Arizona Trout Streams and Their Hatches, and The Hatches Made Simple. He spends his summers in Pennsylvania Furnace, Pennsylvania, and his winters in Mesa, Arizona.
