**Browntrout Publishers : Milwaukee 2016 Square 12x12** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Milwaukee 2016 Square 12x12:

Milwaukee is home to a diverse population of intrepid, hardworking folks who take a great deal of pride in all that this fine Midwestern city has to offer. The motorcycle and beer capital of the United States and the largest city in America's Dairyland, Milwaukee also boasts a magnificent lakefront, world-class art museum, outstanding restaurants, and a wide variety of entertainment options. Host to an extensive list of cultural events, Milwaukee certainly lives up to its "City of Festivals" nickname. This wonderful calendar takes you on a tour of the great city of Milwaukee. BrownTrout is committed to sustainability.
