Pat Pollworth : MILWAUKEE CITY SAFARIS: Urban Discovery Adventures for Children, Their Families, Classrooms and After-School Groups before purchasing it in order to gage whether or not it would be worth my time, and all praised MILWAUKEE CITY SAFARIS: Urban Discovery Adventures for Children, Their Families, Classrooms and After-School Groups:

Milwaukee City Safaris searches out animals, incorporated into urban buildings, to interest children in architecture, symbols, and local architectural history. A range of recommended age-appropriate activities can inspire

intergenerational learning for families, school groups, or extracurricular fun!
