Peter and Renee Skiba, Anne Bingham : Milwaukee, Wisconsin: A Photographic Portrait before purchasing it in order to gauge whether or not it would be worth my time, and all praised Milwaukee, Wisconsin: A Photographic Portrait:

1 of 1 people found the following review helpful. 'Milwaukee, Wisconsin: A Photographic Portrait' ReviewBy HanKI was born in Milwaukee and spent most of my life in the area. Pete and Renee Skiba have done an exceptional job of capturing the Spirit of Milwaukee both past and present in their beautiful book, 'Milwaukee, Wisconsin: A Photographic Portrait'. What makes this book so special is how they include the beauty of nature of the many parks, the different churches and the Lake Michigan Waterfront. Also among the many photos presented, are the cultural and educational facilities along with the famous breweries and the numerous unique festivals that remind us of the rich heritage of the many diverse families that call Milwaukee home. I highly recommend this book.

Rich in cultural and architectural diversity and settled along the confluence of three rivers and the coast of Lake Michigan, Milwaukee provides endless opportunities for talented photographers. Through their unique images of

Milwaukee, natives Peter and Renee Skiba share the many sides of an historic city that is full vitality. The city's pride in its history is reflected in numerous cultural festivals and 19th-century stone and brick architecture, while its future is evident in the gleaming modern architecture, commitment to supporting extensive visual and performing arts centers, and revitalizing commercial and residential neighborhoods. Known as the American brewing capital and the home of professional teams and enthusiastic fans, the Skiba's have captured the love of sports in the region, from skating and skiing to fishing, sailing, and car racing. Amidst all of the city's activity, these images still reveal a metropolitan area that blends with wonderful green spaces gardens, and natural settings.

About the Author Anne Bingham is a Milwaukee writer who focuses on special projects for decision-makers in business and the professions. She is currently working on a novel.
