VanderlekOn reflection, I should have chosen the full size guide from the same author(s). This book contained minimal useful information for our trip.0 of 0 people found the following review helpful. Glad I got it.By JWJHave used two previous versions of the full-sized "Unofficial Guide" to Walt Disney World. Found them very helpful, but very large. The Mini Mickey lives up to the quality, but reduces the quantity. Very useful, and a lot easier to carry.
