Tanya Lloyd : Minneapolis and St. Paul before purchasing it in order to gage whether or not it would be worth my time, and all praised Minneapolis and St. Paul:

Catch a performance of the Minnesota Orchestra, play beach volleyball on the shores of Lake Calhoun, or wander the shops of Grand Avenue. The attractions of the Twin Cities rival those of any world center. And did you know that the metropolis boasts more theatres per capita than any American City other than New York? Whether you are drawn to the university life or St. Paul's status as the state capital, these cities have a wealth of sights and activities. From the sumptuous offerings of Taste of Minnesota each July to the ice palaces of the St. Paul Winter Carnival, each season holds new surprises. About the America series: As expansive as America itself, this outstanding series captures outstanding views of panoramic landscapes, brilliant city skylines, and picturesque communities. Each volume focuses on a city or state and features 96 pages and 70 stunning images by internationally renowned photographers, plus descriptive captions.
