Cool!By RonindocA great map of the Twin Cities, fun to look at, but doesn't quite include my area (Plymouth). Take a close look before buying it is you are looking for a specific area..

No one ever charted the 101 neighborhoods of Minneapolis and the 127 neighborhoods of St. Paul until Big Stick. Now, at last, they stand in full Nordic regalia - befitting the ice beneath them and their fire within. Exquisitely detailed, yet elaborately depicted.
