before purchasing it in order to gage whether or not it would be worth my time, and all praised Minneapolis/St. Paul: Portrait of the Twin Cities (Portrait of a Place):

This is a stunning, full-color photographic journey around the Twin Cities of Minneapolis and St. Paul. Tour the state capitol in the political center of St. Paul, enjoy theater, music, and art in cosmopolitan Minneapolis. Two great cities separated by the Mississippi River. Visit famous Minnehaha Falls, the celebrated Minnesota State Fair, and the Mall of America, the largest indoor mall in the United States. See all this and much more in MINNEAPOLIS / ST. PAUL: PORTRAIT OF THE TWIN CITIES.
