**Hanje Richards, Martin Howard : Minneapolis-St. Paul Then and Now** before purchasing it in order to gage whether or not it would be worth my time, and all praised Minneapolis-St. Paul Then and Now:

Many of the "then" pics, I remember. I like "then and now" type books, and this one is quite nice. Not just pictures; there is ample explanation to go along.0 of 0 people found the following review helpful. Minneapolis photosBy L. S. BrooksThis is a very good picture book of the cities areas both past and present.....I had hoped it would have had motion picture theatres involved....but the pics are great and relives history in the Minnesota towns.....excellent for a Minneapolis fan.....lb0 of 0 people found the following review helpful. Give this one a pass.By Peaceful CreatureModerately interesting to not so interesting photos with brief and usually platitudinous comments. Sorry I purchased it.

Celebrating America's favorite cityscapes, this series combines historic interest and contemporary beauty. Then and Now features fascinating archival photographs contrasted with specially commissioned, full-color images of the same scene today. A visual lesson in the historic changes of our greatest urban landscapes.
