Did you know that one of the last covered bridges is in Zumbrota? . . . that Darwin is home to a twine ball weighing 17,400 pounds? . . . that the Lift Bridge in Duluth lifts about 5,500 times a year? . . . that Austin is home to Spam luncheon meat? . . . that Pequot Lakes watertower is Paul Bunyan s fishing bobber? These and many other interesting facts about our great state are found inside!
