Minnesota's treasures and celebrationsBy mary bellThe book is just what I needed: a listing of museums, monuments, festivals and historic sites in Minnesota. Even though the book was printed in 2004, it covers many of the categories and places still present today. The book offers a basis for finding new

ones of today. Well organized with an index, and listings by category.

Minnesota Museums, Monuments, Festivals Historical Sites contains hundreds of historical gems. Visit the homes where hometown legends such as Charles Lindbergh, the Mayo brothers and Judy Garland made their starts. Share the day with costumed interpreters at Gibbs old-fashioned farm, North West Company Fur Post or Split Rock Lighthouse. Learn about the earliest residents and the oldest buildings in Minnesota. These sites are just waiting to share their vibrant history with visitors!
