Professor John Radzilowski : Minnesota (On-the-Road Histories) before purchasing it in order to gage whether or

not it would be worth my time, and all praised Minnesota (On-the-Road Histories):

2 of 2 people found the following review helpful. Recommended for on-site visitors and armchair travellers alike!By Midwest Book ReviewJohn Radzilowski is a Minnesota native, writer and historian. He therefore brings a special expertise to Minnesota: On-the-Road, a panoramic survey of the cultural, historical, and geographic aspects of a surprisingly multi-ethnic upper midwest state which always ranked high with respect to the environmental, the economic well-being of its citizens, the arts, health, and education. Along with a lively account of Minnesota's history, Minnesota: On-the-Road is enhanced for the traveller with full-color and black/white archival and contemporary photographs and maps; a chronology of major events; "infobits" such as state symbols, songs, etc.; literary extracts; visitor resources and "must-see" sights; cultural highlights and special events; and a select bibliography. Minnesota: On-the-Road is recommended for on-site visitors and armchair travellers alike!

The author explores the history of the peoples--native Americans, Norwegian, Swedish, French, Canadian, German, Irish, Finnish, Polish, and others--who have made Minnesota what it is today. He also illuminates the rich and distinct cultural histories of the Twin Cities, as well as out state Minnesota locations. Full-color photos. Maps.

About the AuthorJohn Radzilowski is author and editor of numerous works ranging from Polish to East European history.
