Alice Vollmar : Minnesota/Wisconsin Travel-Smart (Travel-Smart Minnesota/Wisconsin) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Minnesota/Wisconsin Travel-Smart (Travel-Smart Minnesota/Wisconsin):

1 of 1 people found the following review helpful. A great guideBy A CustomerAuthor, Alice Vollmar has live in Minnesota for the past 28 years. Who better to write a book about the area? Divided by region, this book offers information on dining, recreation, lodging, camping, and rates each using a four star system. It takes the guess work out of planning a trip to the area. A great guide for visitor and resident alike.In addition, "101 Things To Do on the Wisconsin Great River Road", is a great gift idea.1 of 1 people found the following review helpful. A Usable GuideBy A CustomerThis travel guide book is one that you'll actually keep in the front seat of the car and use. It's a nice size and contains lots of extra resource information, too.

The Midwest's northern heartland presents diverse landscapes and destinations for readers seeking unique vacations. The bustling metropolis of the Twin Cities provides numerous arts, entertainment, and sporting events, while endless adventures on two of the Great Lakes await eager adventurers. Photos and illustrations. Maps and charts.
