Marlo Carter Kirkpatrick : Mississippi Off the Beaten Path, 7th: A Guide to Unique Places (Off the Beaten Path Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Mississippi Off the Beaten Path, 7th: A Guide to Unique Places (Off the Beaten Path Series):

2 of 2 people found the following review helpful. Praise for Mississippi Off the Beaten PathBy MarthaI'm a historian and genealogist, having written and published my first book about the area this year. I read this guide and loved it. The

writing style is upbeat, funny at times and well executed. The content is historically accurate and I didn't see any errors in it. I learned a few things from in. The layout, organization and design of the text worked for me as well. A nice little resource. Too bad it got a low star on one review. A reviewer gave the book a low-star rating and the reason they offered was that they didn't enjoy their visit to Mississippi and just didn't get the beauty and style of the wonderful state. OK, so they didn't like the state. Is that any reason to blame the guide? I'm glad I purchased it and will use it in the future. Martha McKay Compiler of "Autobiography Stories of Henry P Lewis, Itinerant Minister of 19th Century Methodism." (Mississippi) 3 of 3 people found the following review helpful. Not bad By Sandie K. Reddell This travel book isn't bad, we have already used it during our visit to Vicksburg. However, my daughter and son-in-law have lived in Mississippi in the Jackson area and question some of the recommendations. The place to see in Ridgeland is the Barnett-Ross Reservoir, not the Renaissance Shopping Mall. 0 of 0 people found the following review helpful. Five Stars By Stewart Smith Very interesting....

Mississippi Off the Beaten Path features the things travelers and locals want to see and experience if only they knew about them. From the best in local dining to quirky cultural tidbits to hidden attractions, unique finds, and unusual locales, Mississippi Off the Beaten Path takes the reader down the road less traveled and reveals a side of Mississippi that other guidebooks just don't offer.

Praise for a previous edition
